

CALL ME MR CARP (Andy Kimber 1999) (Elvis like solo with nasty group chorus)

- A/A7 D (2nd fret bridge)
1. Well I'm "King" fish of the Murray-Darling
A/A7 E (4th fret bridge)
Although I'm not the kind of vertebrate to harp
A D
But I'm now boss and rule – of every lowland creek and pool
E D A
I'm the Emperor Cyprinus Carp
E D A
But you can call me Mr. Carp

Chorus E D
We're gonna fish you out- grind your gills into manure
E D
Manipulate your breed genes too
E D
You're the rabbits of the creek – soon your whiskers we will tweak
A E
Messing up your spawning -a clear cod day is dawning

- A D
2. Well ---- I'm still Lord of the Murray-Darling
A E
But now my empire's future is quite dark
A D
A lovely carpet of mud -soon back to clear streams and cod
E D A
Once a Prince now a small toothless shark
E D A E D A
I guess it's the time to depart - The end of my bottom feeding art
E D A
And river-folk called me Mr.Carp

Chorus

- A D
3. I was the King of the Murray – Darling
A E
And I'm not the kind of vertebrate to harp
A D
One day I had the rule of every billabong and pool
E D A
I was the Emperor Cyprinus Carp
E D A D A
But I preferred the humble Mr Carp - oh yeahhhhhhhhhh
